

Step Into the Spotlight as a Walkathon Partner

Partnering with the Friends of Hendricks Walkathon is more than a sponsorship – it's an opportunity to showcase your business to hundreds of families while supporting local students.

Your partnership not only provides visibility to a highly engaged school community but also demonstrates your commitment to education and local impact. With every step our students take, your business will be recognized as a leader walking alongside them.

Your sponsorship supports:

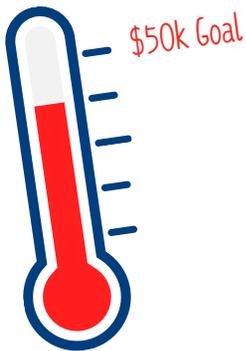

Leader in Me & Reflex Math Programs

Classroom Supplies & Repairs

Teacher Professional Development

Basketball Court Shade Structures

We are so close to completing the second shade structure!

Business Partner Perks

As a valued sponsor, your brand can be front and center through event signage, t-shirts, school marquee, and digital communications.

Did you know that your sponsorship dollars will be credited to a student(s) of your choice, helping them reach their goal for Walkathon incentive parties?*

*Child, grandchild, niece or nephew

Join us in making a difference – and put your business in the spotlight at one of the most anticipated school events of the year!
